++ Valid for broadcast between 1800 and 0600

Headline:
Frosty for many tonight, then cloudier but largely dry Friday.

This Evening and Tonight:
Showers continuing in parts of Cornwall and perhaps west Devon overnight. Dry with largely clear skies elsewhere and turning cold with a widespread rural frost. Perhaps becoming cloudier and slightly milder in the north of the region by dawn. Minimum temperature -2 deg C (28 deg F).

Friday:
A few showers for Devon and Cornwall first thing, but otherwise it will be a dry day with a mixture of cloud and bright or sunny spells. Feeling slightly milder. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Cloudy, windy and mild on Saturday, with rain after dark. Cooler on Sunday but largely dry with bright spells, though remaining breezy. Milder and cloudier on Monday with patchy rain.
